

ORDER FORM FOR TEAM PHOTOS

In order to increase efficiency in the team photo taking/ordering process, we are asking all teams to have their ordering information prepared prior to taking photos. Below is an order form to fill out and bring with you to the event. Team photos are the same price as they have been the last few years, \$10 for a cardboard framed 5x7. Individual photos can also be taken at the same time. Please have a total count for photos along with the payment at the time of your photo session. We accept cash payment for photos.

If in the event a player does not order a team photo and decides he/she wants one after the photo is taken, they can still order one at the event. It will make it much more efficient, however, if we have a total print count at the time of processing the photos.

Once photos are taken, we will ask that one representative returns to the photo taking area to pick up the team's photos. It is too difficult for us to find the team and deliver the package during the bowling event. Any team photos that are not picked up at the event, will return home with the photographer and shipping charges will occur to mail the images.

ALL TEAMS are asked to have their photo taken so that there are team photos available for the publication of the winners. INDIVIDUALS are encouraged to get their photos taken for this same reason.
